Wednesday, March 25, 2020

Dear Wholesale Partners,

Thank you from the bottom of our hearts for your continued efforts to keep your stores open to serve your communities as best you can. Your efforts, and the efforts of your employees, are deeply appreciated by all who depend on you.

At Dufflet Pastries the health and safety of everyone - our staff, our customers and our suppliers - is of the highest importance while we navigate the impact of COVID-19 together.

In addition to our already strict standards in regards to food safety practiced daily in our bakery, we are also enhancing our cleaning procedures in our non-production areas and office spaces.

For now, our Customer Services Desk will operate weekdays from 9:00 am to 3:00 pm.

Please order via email to [services@dufflet.com](mailto:services@dufflet.com) for pick-up or delivery according to your usual method or call 416-536-1330.

We are adjusting our delivery days;  
please ask when ordering for an update for your location.

We will continue to support our grocery and fine food retailers and thank you for all you do to navigate these difficult times with kindness and awareness.
